(III) New Initiatives:**(i) Pharma Jan Samadhan (PJS)**

Pharma Jan Samadhan (PJS) was launched on 12th March, 2015. PJS is a web enabled system developed by the NPPA with the assistance of National Informatics Centre (NIC). PJS serves as a robust e-governance tool for protection of consumer interest through effective implementation of the Drugs (Price Control) Order 2013. The primary objective of PJS is to put in place a speedy and effective complaint redressal system with respect to availability of medicines, overpricing of medicines, sale of 'new drugs' without prior price approval (WPA) and refusal of supply or sale of medicines.

(ii) Pharma Data Bank (PDB) - IPDMS

Pharma Data Bank - an Integrated Pharmaceutical Database Management System (IPDMS) was launched by the Hon'ble Minister of Chemicals and Fertilizers on 25th June, 2015. PDB has been developed by NPPA in collaboration with the National Informatics Centre (NIC). This comprehensive online system provides a platform to the Pharmaceutical Manufacturer/ Marketing/ Importer/ Distributor Companies to file mandatory returns prescribed in Form II, Form III and Form V of Drugs (Prices Control) Order, 2013 (DPCO, 2013). Companies were given a deadline of 10.05.2017 for filing all mandatory forms through Pharma Data Bank - IPDMS.

(iii) 'Pharma Sahi Daam'.

NPPA has developed in collaboration with NIC, Android and iOS versions of mobile-app 'Pharma Sahi Daam' which provides information to consumers on prices of Scheduled medicines which are under price regulation as well as Non Scheduled medicines. With this mobile app, a consumer can check the prices of scheduled and non-scheduled medicines instantly at the time of purchase of the medicine. More than one lakh users have downloaded this app.

(iv) NPPA has also launched its twitter handle @NPPA_india in order to disseminate information regarding policies and achievements of the Government and also for getting feedback from public and other stakeholders. There are more than 4800 followers of this handle.

2. National Institute of Pharmaceutical Education and Research (NIPER):

NIPER Mohali bagged rank Number 2 and NIPER Hyderabad as Number 5 in National Institute Ranking Framework Survey 2017. **NIPER Mohali has bagged rank Number 1, NIPER Hyderabad as Number 6 and NIPER Ahmedabad as Number 14 in NIRF Survey 2018.**

a. Opening of New NIPERs:

During 2015–16, Government announced opening of three NIPERs at Maharashtra, Rajasthan and Chhattisgarh.

(i) State Government of Rajasthan has allotted 100 acres of land in Village Prithvipura Tehsil Asnawar, Jhalawar for NIPER Rajasthan. A lease agreement has been completed.

(ii) Government of Maharashtra has allocated 61 acres of land in Mauza Kaldongari, Tahsil Nagpur (Rural), Nagpur District for establishment of NIPER. The land has been approved by the Department. The State Government has sent a Draft Lease Agreement for transferring to said land to the Department.

(iii) State Govt. of Chattisgarh has intimated that only 35 acres of land is available at the already selected site by the Department. They have suggested 2 different sites of 63 acres and 116.94 acres for NIPER. They have requested the Department to finalize the land for NIPER.

b. Foundation for old NIPERs building:

(i) Foundation for NIPER Guwahati was laid on 31.5.2015. Construction was started in June 2015; 42% work has been completed.

(ii) Foundation for NIPER Ahmedabad was laid in December 2015. NIPER, Ahmedabad is functioning through a temporary constructed building on land allocated by the Government of Gujarat in Gandhinagar.

3. Major Policy Initiatives:

a. Uniform Code for Pharmaceuticals Marketing Practices

To curb unethical practices in the healthcare sector a Uniform Code for Pharmaceuticals Marketing Practices (UCPMP) has been prepared and voluntarily adopted and complied with by the Pharma Industry with effect from 01.01.2015.

After reviewing the implementation of UCPMP the Department is in the process of making a statutory order for controlling the unethical practices being adopted by some Pharmaceutical companies in consultation with the Ministry of Law.

b. Amendments to DPCO, 2013:

The Committee constituted by the Department for ensuring enhanced accessibility of drugs to the poor has since submitted its recommendations. These recommendations have been examined and the issue of amending the provisions of Drugs (Prices Control) Order, 2013 (DPCO-2013), is now under active consideration.

c. Scheme for Development of Pharmaceutical Industry:

Department has prepared an umbrella scheme namely 'Scheme for Development of Pharmaceutical Industry' which has been approved by the Standing Finance Committee (SFC) in its meeting on 7.2.2018. The said scheme is a Central Sector Scheme(CSS) with a total financial outlay of Rs. 480 crores and comprises of the following sub schemes:-

- (a) Assistance to Bulk Drug Industry for Common Facility Centre;
- (b) Assistance to Medical Device Industry for Common Facility Centre;
- (c) Pharmaceuticals Technology Upgradation Assistance Scheme (PTUAS);
- (d) Cluster Development Programme for Pharma Sector(CDP-PS); and
- (e) Pharmaceutical Promotion and Development Scheme (PPDS).

Among the sub-schemes, CDP-PS and PPDS are existing schemes of the department. It is expected that the implementation of the scheme would facilitate the growth of domestic pharmaceutical industry to play a lead role in the global market and

ensure the availability of good quality pharmaceuticals of mass consumption thereby assuring drug security in the country.

d. Promotion of Generics:

The Department besides operating a scheme Pradhan Mantri Bhartiya Janaushadi Pariyojna(PMBJP) which sells low cost generics in the country has also taken up with M/o Health & Family Welfare for taking up promotion of generics in a big way.

4. 'Pradhan Mantri Bhartiya Janaushadhi Pariyojana' (PMBJP)

About Scheme: In order to make available quality generic medicines at affordable prices to all through specific outlets, 'Pradhan Mantri Bhartiya Janaushadhi Pariyojana' (PMBJP) was launched by the Department of Pharmaceuticals, Ministry of Chemicals & Fertilizers, Government of India in November, 2008 across the country. The specific outlets are called 'Pradhan Mantri Bhartiya Janaushadhi Pariyojana (PMBJP) Kendras'. The scheme is being implemented through an agency namely Bureau of Pharma PSUs of India (BPPI) (the implementing agency of PMBJP) which is working under the administrative control of Department of Pharmaceuticals, Ministry of Chemicals & Fertilizers, Government of India.
