

Gilead Sciences to set up unit in Hyderabad

PRESS TRUST OF INDIA

Hyderabad, December 7

US-based Gilead Sciences, a research-based company, has evinced interest in setting up an unit in the proposed 'Pharma City' here without specifying the line of activity.

According to a press release issued by the Telangana government, Senior Director, South-East Asia and Pacific, Aaron Brinkworth and Director, Government Affairs — Asia, Claudio Liliensfeld of Gilead Sciences met Chief Minister K Chandrasekhar Rao in camp office along with their team. Responding to the team's request, the CM explained about the Single Window Industrial Policy of the state and presented them with a copy of the policy document, it added.
