

Jubilant Pharma names GS Sachdeva as CEO

Jubilant Life Sciences has appointed Gurpartap Singh Sachdeva as CEO of Jubilant Pharma, a wholly-owned subsidiary of the pharmaceutical company. Singh will be based in the US and have the overall responsibility for the operations under Jubilant Pharma. Prior to Jubilant, Singh had served as president of Sun Pharmaceuticals, US. The company also said it has received approval from the USFDA for generic anti-hypertensive Valsartan tablets and it plans to launch the product immediately.
