Aurobindo, Actavis recall Gabapentin

NEW DELHI: Aurobindo Pharma is recalling 24,816 bottles of Gabapentin capsules used as anticonvulsant and analgesic following complaints of empty capsules in the U.S. market. According to notification by the U.S. Food and Drug Administration (USFDA), the Indian firm's arm Aurobindo Pharma USA Inc has initiated a Class II nation wide recall. Each bottle contains 100 capsules of 300 mg. The drug is manufactured by Aurobindo Pharma at its Mahabub Nagar facility in Andhra Pradesh. In another development, a total of 64,719 bottles of different strengths of the same capsule manufactured by Actavis Pharma Manufacturing Pvt. Ltd. at the Kanchipuram facility in Tamil Nadu were being recalled in Puerto Rico. The capsules were distributed by Actavis Elizabeth LLC. — PTI
