I am happy to know that Department of Pharmaceuticals is observing Swachhta Pakhwada during 01-15 September, 2019.

Taking a call from Hon'ble Prime Minister to put heart and soul of each Department of Government of India into implementing a substantial and meaningful Pakhwada having significant impact, the Department of Pharmaceuticals as well as its organizations and Public Sector Undertakings are observing the Swachhta Abhiyan enthusiastically. I am also told that all the Pharma Industries, Trade, Medical Devices and Chemists in the country have extended their support in this Endeavour of the Department. I appreciate efforts and dedication of all the officers and employees of the Department to make the Swachhta Pakhwada successful.

I extend my best wishes for success of the event.
