MESSAGE

It is a matter of satisfaction and pride that the Department of Pharmaceuticals is observing Swachhta Pakhwada during 01-15 September, 2020.

The outbreak of Covid-19 Pandemic has made a drastic change the way we live and work. To keep such pandemic at bay, we need cleaner environment around us. Campaigns of Swachhta Pakhwada will play an important role in spreading awareness about importance of cleanliness for healthy life and in mitigating the impact of such disease.

It gives me pleasure to know that all organizations- NPPA, BPPI, NIPERs and PSUs under the Department of Pharmaceuticals and industry associations are joining the Swachhta Abhiyan.

I extend my best wishes for the success of the event.
