## Suven gets patent for new drug

New Delhi: Suven Life Sciences has been granted a patent each by Europe and Macau for drug used in the treatment of disorders associated with neuro-degenerative diseases. "The company has been granted one product patent from Europe and one product patent from Macau corresponding to the New Chemical Entities for the treatment of disorders associated with neuro degenerative diseases," Suven Life said in a BSE filing on Tuesday. The patents are valid through 2030 and 2029. Shares of Suven Life Sciences rose by 2.5 per cent after patent was granted. — PTI
