

## Dead frog found in Vit. B syrup in UP

Lucknow: A man in Basti district found a dead frog floating in B-complex syrup sold by a reputed pharmaceutical firm on Tuesday. A complaint in this regard has been registered with the district magistrate who has now ordered an inquiry into the matter. According to reports, the man purchased the syrup for his ailing sister and when he opened the bottle, a pungent smell came from it. Later, when he saw the entire bottle, a dead frog was found at the bottom. After the intervention of the district magistrate, drug inspectors from the food department were called to test the syrup.
