

### **NPPA asks drugmakers to register for online database**

**New Delhi, Sept 19:** National drug pricing regulator NPPA has asked all pharmaceutical firms to register under the Integrated Pharmaceutical Database Management System for online filing of returns for monitoring, fixing and revision of drug prices.

"Availability of reliable database is a pre-requisite for carrying out the functions of price fixation and revision in respect of scheduled drugs; price fixation in respect of new drugs," National Pharmaceutical Pricing Authority said on its website.
