

Drug advisory committee in Punjab

Chandigarh, June 6

A drug advisory committee has been formed to suggest ways to the Punjab government to curb the drug menace in the State, an official said on Friday. The committee will comprise nine members, led by Commissioner, Food and Drug Administration whereas the State Drug Controller has been inducted in the committee as Member Secretary, he said here. Assistant drug controllers of Punjab drug testing laboratory from Chandigarh and representative of drug manufacturing association from Mohali are also among the members of the committee, he said.
