

**Pfizer sues Torrent over Viagra generic**

Mumbai, March 19

Pfizer Inc has filed a patent infringement suit seeking to prevent Torrent Pharmaceuticals from commercialising the generic version of its blockbuster erectile dysfunction drug Viagra. As per a filing with the US Securities and Exchange Commission by Pfizer, Viagra generated revenues of over \$1.88 billion for the company in 2013. Pfizer has been selling Viagra in the US since 1998. COGENCIS
