

### **National pharmacists' meet**

Thane, March 28

137-21

The 10th national conference of Federation of Indian Pharmacist Organisation will be held in Thane on April 23 and 24. This was announced at a conference held by State President of the Federation, Mr. Satish Dhotre. Mr Dhotre said that the two-day meet will mainly discuss the problems faced by pharmacists and also the long-pending issue of wage revision to pharmacists. The meet will also include scientific seminars and technical paper presentations besides lectures by experts. - PTI
